

HART FOR P.A.W.S.

Harmony Hall was host to hART for P.A.W.S. (Positive Awareness with Shelter), an art exhibit and sale with over 20 local artists donating generously to this silent auction.

The art exhibit helped raise awareness and funds for the care of HIV-AIDS clients through Casey House Hospice and also care for orphaned, sick or injured and abandoned animals through Second Chance Wildlife Sanctuary.

Event organizer Daniel Kelly went to great lengths putting the event together, which was well acknowledged by the dozens in attendance.
